

The San Diego Chapter of ARMA Presents
Dialogue: A Workshop to
Improve Your Communication Skills

The San Diego Chapter of ARMA International is hosting a special communications workshop. In the book *Crucial Conversations*, the authors (Patterson, et al) talk about the "one thing," that sets effective communicators apart from others. They use an effective conversation tool, *Dialogue* when the stakes are high. Join us for a fun filled interactive session where we examine and role play dialogue as a essential tool in developing and increasing our communication skills as professional Records Managers, IT Professionals and Administrators.
